PERSONAL PROFILE

Results-driven Sales and Customer Service professional with experience in telesales, walk-in sales, and customer relationship management. Proven ability to convert leads, exceed targets, and deliver excellent customer experiences. Strong digital and ICT skills, with a disciplined, goal-oriented work ethic developed through National Youth Service (NYS). Seeking to drive business growth in a dynamic sales environment.

WORK EXPERIENCE

Tele Caller Customer Service at Badili HQ: Feb 10th - 25th Jan 2026

- Engaged customers through walk-in sales, telesales, and online inquiries to promote refurbished smartphones.
- Managed the company website, including product listings, availability updates, and customer inquiries.
- Processed sales transactions and maintained accurate sales records and inventory updates.
- Worked collaboratively with a team of agents, rotating weekly responsibilities to ensure smooth operations.
- Contributed to achieving daily and monthly sales targets.

Brand merchandiser at Badili Africa in Carrefour Mega Mall: 17th June 2024 - Feb 10th 2025.

- Performed stockouts
- Ensured proper display setup
- I gathered customer insights and ensured customer satisfaction.

Telesales Executive at Apollo Agriculture: 22nd Jan 2024 - 30th April 2024.

- Providing top-notch support to both agents and farmers.
- Proactive in identifying potential issues and opportunities for improvement in the customer experience therefore meeting and exceeding sales targets.
- Quick decision-maker and effective management of customer expectations.

Data Meter Collection Specialist (KPLC): June 2022 - December 2022

- Executed data meter collection initiatives for KPLC in collaboration with NYS.
- Demonstrated attention to detail in accurately capturing and recording meter data.
- Ensured compliance with established protocols and standards for data collection.
- Collaborated with team members to optimize efficiency in data collection processes.
